

RapNet® - The Diamond Market

RapNet is the world's largest and most trusted online diamond trading network, delivering the best available diamonds, prices, people & market intelligence for buyers, dealers and diamond manufacturers worldwide. RapNet is the "go to" destination for anyone who's serious about their diamond business.

FIND DIAMONDS

Direct access to over 1 million diamonds in any size, shape, color and clarity, anytime, any day.

FIND PRICES

Get real time discounts and competitive asking prices as well as instant availability to millions of diamonds.

FIND PEOPLE

Connect with a community of approved diamond professionals. Negotiate directly with no commissions or transaction fees.

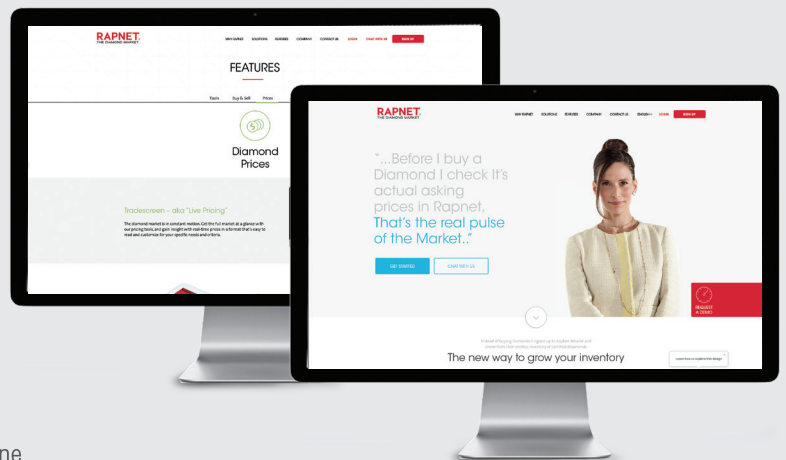

FIND MARKET INTELLIGENCE

Live market data and information converted into actionable market intelligence to increase profit.

OTHER RAPNET BENEFITS

- ◆ Includes Rapaport Price List, the primary source for benchmark diamond prices.
- ◆ RapNet Mobile App lets you stay on top of the market wherever you are.
- ◆ Multilingual customer service team for technical support and questions.
- ◆ RapNet Show Listings, so you can find and be found at trade shows.

RapNet starts from \$660 per year. Membership also includes the Rapaport Price List and Rapaport Magazine. (Magazine included in US only)
