RapNet: New iPhone App Launches October 12th 2014

PRESS RELEASE, October 7, 2014, New York ... RapNet – The Rapaport Diamond Trading Network, is excited to announce the launch of our new and improved RapNet iPhone app.

The app allows RapNet members to conduct their business on the go. The app now includes advanced searches, saved searches and diamond tracking. Settings are synced between the app and the desktop allowing seamless transitions between mobile and the office. The app has undergone a complete redesign making it even easier to access RapNet from a smartphone.

Saville Stern, Chief Operating Officer of RapNet, shared his excitement about the updated features and design, “Our commitment to making RapNet accessible from everywhere is evident in this completely fresh RapNet app. RapNet members will be able to use the app or the browser interchangeably and seamlessly, allowing for a superior trading experience. We are pleased to offer our community this advanced app and we want to let our Android using members know that we are working hard on an Android app that we hope to release in the near future.”

The RapNet app is available in the Apple App Store starting October 12. <https://itunes.apple.com/in/app/rapnet-rapaport-diamond-trading>
