### **RapNet Adds Spanish Language to Diamond Trading Network**

PRESS RELEASE, June 4, 2013, New York: The RapNet Diamond Trading Network is pleased to announce that Spanish has been added to its multi-lingual website. Introducing RapNet in Spanish is an innovative step that will allow Spanish speakers in the diamond trading community access to the local and international markets through RapNet and will assist Spanish speakers in maximizing their trading activity.

RapNet Chief Operating Officer, Saville Stern said, "We recognize the importance of the Spanish-speaking market and are pleased to be able to communicate with thousands of our customers in their preferred language."

The RapNet professional diamond trading community has over 12,000 members from 80 countries with daily diamond listings of over 1 million diamonds valued at \$6.6 billion. RapNet is currently available in English, Chinese, Gujarati, Japanese, and now Spanish has been added to this dynamic network.

RapNet has also added Spanish-speaking customer service agents to its USA offices to take care of Spanish-speaking customers' needs.
