

RapNet Instant Inventory™

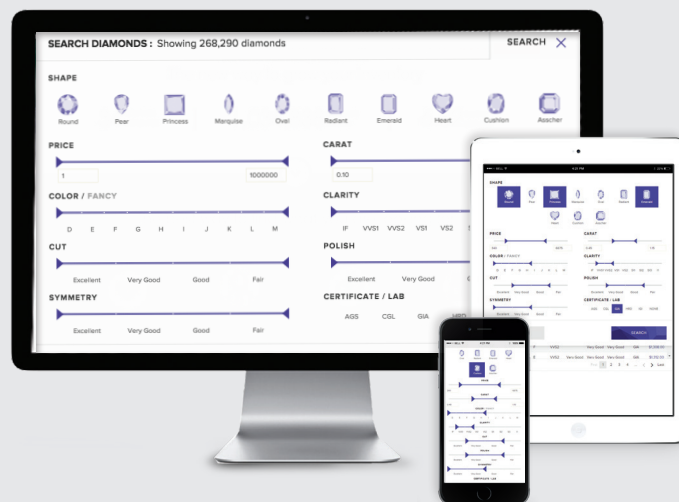

RapNet Instant Inventory helps diamond jewelers sell more diamonds at competitive prices without the cost of owning them.

Together with RapNet, the leading and most trusted online diamond trading network, jewelers are provided with a total solution to increase their sales both in-store and online.

With RapNet Instant Inventory, you can:

- ◆ Access RapNet's extensive inventory of 1.5 million diamonds
- ◆ Showcase over \$7B worth diamonds directly on your website
- ◆ Choose from thousands of RapNet vetted suppliers across the globe
- ◆ Add a diamond search for your website
- ◆ Set your own prices and mark-ups
- ◆ Display your diamonds on desktop, tablet and mobile devices
- ◆ Find the best available diamonds, prices, people & market intelligence

RapNet Instant Inventory starts from \$1,210 per year. Membership also includes all the features of RapNet, plus the Rapaport Price List. (Magazine included in US only).
